This letter is to confirm our agreement for Discover Card to accept a settlement in the amount of \$3,392.00. Payments to be set up via telephone checks or overnight mail as follows:

- \$1,675.00 (1) payment due November 30th 2015.
- \$343.40 (5) payments due by the 30th of each month from December 2015 through April 2016.

Once payments totaling \$3,392.00 clear your bank account, we will consider the account settled for less than the full balance.

The failure to meet any agreed upon payment that is part of this settlement by the payment due date will terminate the settlement agreement and will result in the entire remaining account balance becoming due immediately.

In addition there may be certain tax consequences. Whenever \$600 or more is forgiven as a result of settling a debt for less than the balance owed, the creditor may be required to report the amount forgiven to the Internal Revenue Service on a 1099C form, a copy of which would be mailed to your client by the creditor. If your client is uncertain of the legal or tax consequences we encourage your client to consult their legal or tax advisor.
